Brochure 2018th

INTRODUCTION

Hello everybody, and welcome to Navette Plus Crew Services !

In this brochure, you are about to have an overview of what NPCS can offer you.

Our international branch offices are locally managed by the best skilled crewing managers, so we can guarantee a truly unique level of personalized services that is unmatched by port agents and other crewing agents. We are not a regular and expensive "port agent". Our focus is on crew changes and handling.

Quality – it's always our top priority.

NPCS strives to receive high level of compliments possible. We use methodology to ensure the highest services quality, increased customer satisfaction and faster reaction to changing markets. There are so many aspects in the shipping industry, and crewing is one that matters most. Teamwork, coordination and even a bit of luck is what needed in this complicated world to arrange crew changes in the Schengen area. NPCS...quality guaranteed. Save Time and Money.

Just our commitment to deliver the quality you've come to expect from one of the industry's most highly acclaimed leaders in crewing agents. We guarantee no one matches our guarantee. We will explain why our professionalism and assistance will change the way you deal with your crew arrangements, every time a smoother and more competitive result.

NPCS Reliability.

Known the World Over.

Read it and see by yourself.

M. Jérôme Le Stunff
General Manager

OUR NETWORK

Navette Plus Crew Services is a dedicated European corporation serving the shipping industry for the crew arrangements in Europe. As a young and dynamic crew agent, we have been meeting a very fast development due to the satisfaction of our customers. Today we are proud to announce that NPCS act as the global leader in the field of visa services and crew handling for the Schengen area, and is the very first multinational crew agency established in the Philippines. With our 4 international offices, Navette Plus Crew Services keeps on building the strongest and most efficient network to serve the shipmanagements the best.

Contact us for Italy

THANKS TO
our unique
NETWORK

we possess very developed strategies to get Schengen visas for your seafarers the fastest and most surprising way.

OUR OFF-PORT LIMITS SERVICES

Navette Plus Crew Services is proud to introduce its launch boat services to organise offshore crew arrangements. With our own launch boats, we will handle both on and off-signers (up to 12 crew) to perform your crew changes in countries where short notices are challenging.

This VIP services is an exclusivity from NPCCS.

Depending on your challenge, we will organise OPL from 3 different areas :

AREA 1 / NORTH CHANNEL :

In case of short notice for Belgium, UK and the Netherlands.

AREA 2 / GIBRALTAR :

In case of short notice for Spain (any port refusing VOA) and Italy (any port refusing VOA).

AREA 3 / TENERIFE AND LAS PALMAS :

In case of short notice prior heading to West Africa or South America.

WITH NPCCS come the best STRATEGIES

No time loss: the ship only reduces its speed during the operation

Save money: no pilot / no port dues involved, only our service at competitive cost

We organise OPL with our own launch boats from different nautical points in France, Spain and in the Netherlands.

OUR CREW HANDLING SERVICES

We Navette Plus Crew Services have excellent and long experience in assisting seafarers while they transit to join a vessel or going back home. Our core business is the seafarer's transportation from / to all airports in France, Belgium, Spain and the Netherlands thanks to our own taxi fleet. In other Schengen countries, we benefit from very close and competitive partnerships, all coming with the best professionalism you seek for. Navette Plus Crew Services can assist with the whole crew change, including the transportation of all your crew members, technicians, representative and superintendent with our 9 seats mini bus and VIP cars.

- we transport your crew with our own vehicles

- our drivers are all English speakers

- fixed prices, no waiting time fee

- excellence, safety, and competitiveness
